OTHER EVENTS

Exhibiting artists are encouraged to organise events during the exhibition. It is in your best interest to use this as an opportunity to be proactive in your art career.

Example events:

- Tea & Cake Day

- Demonstration
- Artist's Talk
- Walkthrough

WHY WOULD I WANTED TO DO SOMETHING LIKE THAT?

Why not? It is an easy form of profile raising marketing where you can discuss your artwork or promote a workshop or organisation. As artists if you are not regularly seen, your past promotional effort goes to waste. So capitalise on every exhibition or competition you enter!

Use these events to promote and engage with your audience and collectors or practice the finer points of talking about your art to friends and family so that you are prepared for your collectors.

Alternatively, if you would like to organise a collaborative event contact us and we can contact other exhibitors.
